
Health, Safety and Environment (HSE) Policy

TAURUS PLEDGES TO PROVIDE A HEALTHY AND SAFE ENVIRONMENT TO ALL ITS EMPLOYEES.

Our Ethics:

- Our business is built on the foundation to provide a healthy and safe environment where all our employees are cared for, communally and sociably.
- The safety of our customers, business partners and communities in which we do business is of utmost precedence in all our practices.
- The management and leadership promote and encourages accountability at all hierarchical levels
- These principles are emulated in our behaviour, all the time.

Our vision:

- Prudent routines are in place to regulate coordination between different employers
- Mapping of working environment, information, and training
- Ensuring economic and environmental sustainability

Our commitment:

- Personal involvement & commitment from the day one. We, as leaders, are personally accountable to continuously improve our HSE performance through tracking against our goals and targets.
- Professional approach & proactive management of risk.
- Hard work and updating the knowledge of team members
- Strengthening clients by system establishment and providing best training materials in any areas of management to make their house in proper manner.
- Establishing strong internal control with the help of system and use of the latest management techniques.
- Comply with applicable legal, regulatory, industry and corporate requirements.
